

Job Description

APPLICANTS NEED A MINIMUM FIVE (5) YEARS EXPERIENCE as an Elevator Mechanic.

Your role is to install and service Residential Elevators. We are a privately owned company serving the Greater Houston area. All mechanics must have a **Valid Driver's License** and verifiable experience. We supply everything but hand tools including a company van, all power tools, ladders, consumable parts like drill bits, saw blades, wire, and uniforms.

Candidates with exceptional experience will be considered for a relocation package.

Responsibilities and Duties

- **The priority of each Mechanic** is the installation of Residential Elevators
- Assignments include both new construction and retrofitting occupied buildings
- **Mechanics must be able to read a schematic**
- Problem solving is key to advancement
- **Each Mechanic is assigned a helper**
- Ability to lift 75 LBS.
- Duties also require **Good Physical Condition** (*you'll be walking stairs*)

Qualifications and Skills

- Proof of authorization to work in the United States
- **Verifiable experience as an Elevator Mechanic**
- High School Diploma or equivalent
- Technical Certifications are a plus
- Employees must pass drug testing and background check

Benefits

- Medical Coverage
- Paid Holidays
- Paid Vacation
- 401K
- No nights or weekends

Job Type: Full-time

Pay: \$22 to \$35/hour depending on experience, higher pay for experience with our brands
