

## Job Description

### **PREFERRED APPLICANTS WILL HAVE 3 YEARS HEAVY EQUIPMENT ASSEMBLY OR ELECTRO-MECHANICAL ROLE OR OTHER TRADES EXPERIENCE**

Exceptional opportunity for long-term employment and advancement to elevator mechanic with significantly higher wages. Ideal candidates have trade school and/or have an engineering, electrical or construction background. Without this experience, being eager to learn and adept with a variety of tools is a must. Your role is to assist elevator mechanics in elevator installation, maintenance, modernization, and repairs.

Reliable transportation to job sites in the greater Houston area is required. We supply everything but hand tools including all power tools, ladders, consumable parts like drill bits, saw blades, wire, and uniforms.

### **Responsibilities and Duties**

- Assist elevator mechanic at job site to install home elevators in new construction & retrofits.
- Problem solving is key to advancement.
- **Show up every day on time** to work with your team.
- Present a mature attitude for the safety of yourself, team, and customers.
- Ability to lift 65 pounds.
- **Good physical condition** required (for walking stairs and working in extreme Texas heat)

### **Qualifications and Skills**

- MUST HAVE a **valid driver's license**.
- MUST speak and understand **English**.
- MUST HAVE proof of **authorization to work** in the US.
- MUST not have a fear of heights.
- MUST pass drug testing and background check.
- High school diploma or equivalent.
- Technical Certifications are a plus.
- COVID-19 Consideration: MUST be **fully vaccinated**.

### **Benefits**

- Medical Health Insurance
- Paid Holidays AND Paid Vacation
- 401K
- No nights or weekends

Job Type: Full-time OR part-time

Pay: \$18 to \$20/hour depending on experience, higher pay for elevator experience.
